not, the reasons thereof;

(c) what is the estimated cost of providing sun-shields before the Government houses;

(d) whether in Delhi Mercury touched nearly 46 degree celsius this year and those Government houses which faced the Sun throughout the day were very hot from inside because of lack of protection from the sun rays; and

(e) if so, whether there is any plan to provide/protect such houses from the sun rays and if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (SHRI P. K. THUNGON): (a) Sun shades are provided on the top of windows, during the Architecture Design based on the weather condition, location, orientation and other design features.

(b) Does not arise.

(c) The cost of providing sun-shades over the windows varies based on the number of doors/windows, their location as well as in the type, design and nature of construction. Therefore it is not possible to indicate a general estimated cost.

(d) and (e) The buildings get heated in summer due to hot sun rays on walls, roof etc. and this heating cannot be attributed to any single component of the building. Constribution of factors like non-provision of sub-shades can only be a small factor in the over all heating up of buildings in summer.

Sanction of post of security staff by ASI

649. SHRI GAYA SINGH: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that the sanction of over 3000 additional posts of security staff (Monument attendants) out of which 560 for Patna Circle Bihar are pending with the Archaeological Survey of India since 1986; and

(b) if so, the reasons therefor and by when these posts will be sanctioned?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DETT. OF EDUCATION AND DEPTT. OF CULTURE) (KUMARI SELJA): (a). Yes, Sir.

(b) The matter is under examination of Government.

Diversion of Ammonia into production of Urea

650. SHRI B. K. HARIPRASAD: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether it is a fact that directives have been issued to public sector/joint sector Fertilizer plants to divert ammonia into production of urea;

(b) whether Government are aware that many of the dyes and intermediaries manufacturing units will be hard hit by this diversion and will be starved of ammonia supplies; and

(c) whether to alleviate the hardships of such dyes and intermediaries manufacturing units, Government will allow adequate imports of ammonia?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a) and (b) No directives have been issued to public sector or the joint sector ammonia-urea plants regarding the end use of the surplus ammonia disposed of by them.

(c) Import of Ammonia is permitted under Open General Licence (OGL) scheme.
